

DATA SHEET

# UT-LEDL840R

|                                          |                |
|------------------------------------------|----------------|
| Product code                             | UT-LEDL840R    |
| Voltage [V]                              | 220...240      |
| Wattage [W]                              | 12             |
| Lumen [lm]                               | 840            |
| Color temperature [Kelvin]               | 3000/4000/6500 |
| Operating frequency [Hz]                 | 50...60        |
| Current [mA]                             | 300            |
| Rated life [h]                           | 50000          |
| Rated number of switching cycle          | ≥ 25000        |
| Nominal beam angle [°]                   | 110            |
| Power factor                             | 0,5            |
| Rated color rendering index [Ra]         | 80             |
| Dimmable                                 | Non-dimmable   |
| Mounting type                            | Recessed       |
| Lumen maintenance at 50000hrs [%]        | 70             |
| Warranty period                          | 2 years        |
| Dimensions [mm]                          | ø168 x 8       |
| Operating temperature [°]                | -20...+40      |
| Protection degree [IEP protection class] | Class II       |
| IP rating                                | IP20           |
| Energy efficiency class                  | G              |
